Our ISC Elders, staff and peer mentors, were on hand to welcome over 100 local indigenous high school students from Abbotsford school district. The students toured the Abbotsford UFV campus, and enjoyed hands on activities with different UFV departments on Nov 15th. We enjoyed hosting what we hope will be our future students and peer mentors at Indigenous Student Centre.

ISC staff hosted a Holiday lunch on Dec 6th and 7th at Abby and CEP campus for the students. The elders came in and enjoyed a turkey dinner with all the fixings and spent time talking with the students
