As a **faculty member**, the office of Research and Graduate Studies can support you with:

Course releases through the Research Option and Scholarly Activity (ROSA) program

Seed funding and research assistants

Developing new graduate degree programs

Workshops and one-on-one mentorship

Grants, contracts, sabbaticals, and other application prep

Sharing your work through microlectures, publication celebrations, guest lectures, and panel presentations

Research ethics and compliance standards  
*(Human Research Ethics review, Animal Care review, legal review of external contracts and agreements, lab compliance, etc.)*

Membership to ad hoc committees, research centres, labs, and institutes  
*(HREB, ACC, ROSA, Sabbatical, GSC, RAC, etc.)*

**G290 Abbotsford Campus**  
2nd floor of the library
