As a **student**, the office of Research and Graduate Studies can support you to:

Gain invaluable experience as a Research Assistant (volunteer or work-study)

Apply for student-led research grants

Get help with scholarship applications, research ethics and compliance protocols, etc.

Apply for a grant to travel to another province or country to present your research

Share your research at Student Research Day

Earn research awards, prizes, and scholarships

(UFV's Undergraduate Research Excellence Awards, NSERC's Undergraduate Student Research Awards, etc.)

Gain valuable workplace skills by serving on a research committee

(Research Advisory Council, Animal Care Committee)
