EMPLOYER SERVICES

HOLD AN INFORMATION TABLE

Information tables are a fantastic way to grab students' attention and promote your organization on campus! Situated in a high-traffic area on campus, you will have the chance to connect with students on the go.

PARTICIPATE IN A CAREER FAIR

Join us for an exciting day of meeting with current UFV students, recent graduates, and alumni across various programs. The UFV Career Fair provides opportunities for career seekers to expand their professional network by learning from employers who are open to sharing career insights and the various careers available at their organization.

SHARE YOUR EXPERTISE

Build early connections with the UFV community through Career Education, providing students and alumni with learning opportunities that are meaningful and relevant to their career development. Invited employers share their expertise by participating in events that are open to students and alumni from all program areas. Examples of events include career panels, speed resume reviews and mock interviews.

HIRE A CO-OP STUDENT

Access a pool of eager, motivated, and talented UFV Co-op students for your short and long-term human resources needs. Co-op combines academic studies with relevant work experience. Academic semesters alternate with work terms, giving students up to two years of relevant work experience. Visit [Hire a Co-op Student](#) for more information.

PARTNER WITH EXPERIENTIAL LEARNING

Join our classrooms as guest speakers, industry experts, business mentors, and challengers of work-specific problems. Provide UFV students with practical experience, industry insight, community networks, and confidence in pursuing their future careers. Visit [Experiential Learning](#) for more information.

POST OPPORTUNITIES ON CAREERLINK

CareerLink, our self-serve online job board, allows you to reach a large student and alumni talent pool looking for work. Visit [CareerLink for Employers](#) for full details on how to create an account and post your opportunities.

SPOTLIGHT OPPORTUNITIES ON SOCIAL MEDIA

Share a recruitment opportunity or networking event with UFV students and alumni by tagging UFV CECE (@ufvjobs) on Instagram and LinkedIn at least two weeks before the event. We review and approve social media reposts on a case-by-case basis.

DISTRIBUTE POSTERS ON CAMPUS

Promote a recruitment opportunity or networking event with UFV students and alumni by mailing CECE printed copies of posters a minimum of two weeks prior to the event. Include your organization's name, the date and time of the event, and a link (or QR code) for students to obtain more information. Visit [ufv.ca/jobs/contact](#) for our mailing address.
