SUSTAINABILITY IN RESIDENCE

EFFICIENT COOLING

When it's hot outside,
open the windows,
turn off the heat,
and close the blinds or curtains.

EFFICIENT HEATING

When it's cold outside,
close the window and
keep the heat on if needed

... unless you are leaving
for the weekend
(in which case, turn it off)

RECYCLE

When disposing of waste,
be sure to sort properly and
use the correct bins

RE-USE BEVERAGE CONTAINERS

Bring your re-usable mug
and water bottle
with you when you go

TURN OFF THE LIGHTS

Use natural light when possible
and always turn off the lights
when you leave

CONSERVE ENERGY

Unplug any electronics and chargers
not in use
