### ITEM 1 - PARENT / GUARDIAN CONSENT AUTHORIZATION

As parent/guardian, I give permission for the student to attend the Fraser Valley Regional Science Fair (FVRSF) and will not hold the FVRSF responsible for any accident or mishap related to the student's participation.

I understand the expectations for parents/guardians as posted online at [How can parents help?](#)

I understand that the student is expected to attend all the scheduled events, that I am responsible for his/her transportation to and from FVRSF, and that my child and I take joint responsibility for pickup arrangements. Should my child depart from the fair in an unauthorized manner, or conduct him/herself in a manner that does not conform to the expectations laid out in the detailed [Science Fair Schedule](#), I will not hold FVRSF responsible for any unforeseen complications.

I also understand that the material used in the project is the responsibility of the student and that the student's school, teacher, and FVRSF cannot be held responsible for loss, damage, or theft, however caused.

I further understand that all exhibits must comply with the display safety rules and be left on display until the end of the fair.
