Notes and Terms

Some numbers in this Factbook differ slightly from numbers in previous Factbooks due to retroactive changes in historical records.

Indigenous Students: UFV does not require students to declare their status. On their application form, students may elect to self-declare as Aboriginal, First nations, Métis, or Inuit.

Academic Year: Sept 1 to August 31 of the following year.

Age: As of July 1 of the fiscal year.

Credential “None”: A program that does not grant a UFV credential upon graduation.

Continuing Education (CE): Non-academic and non-trades programs or courses.

Chandigarh/Domestic/International: This is based on country of the UFV campus and the type of fees a student pays in the given fiscal year. If a student pays international fees for part of a given fiscal period, they are counted as international. Chandigarh students pay a domestic fee.

Fiscal Year: Unless otherwise stated, all data is for fiscal year, which is April 1 to March 31 of the following year.

Section 9: Research and Compliance

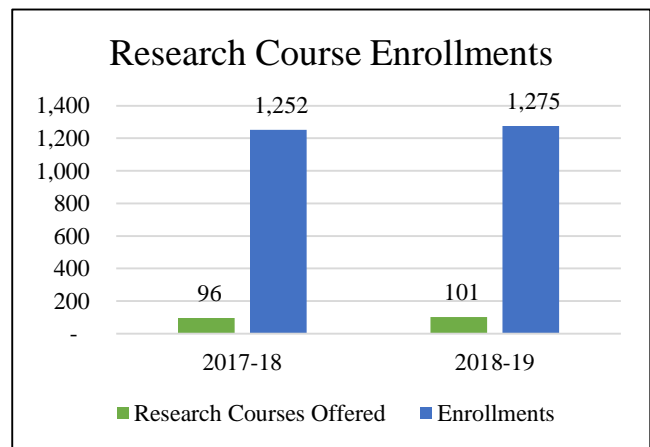

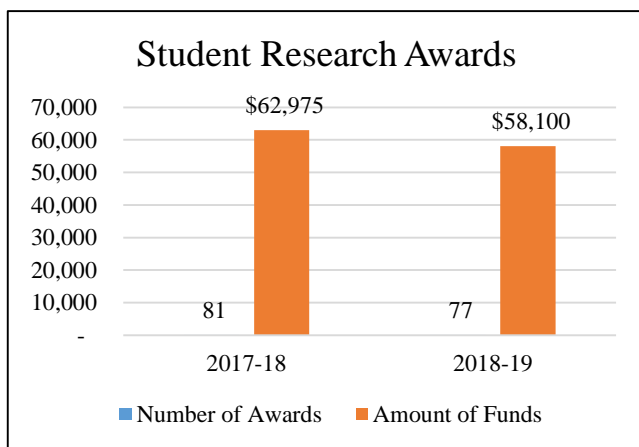

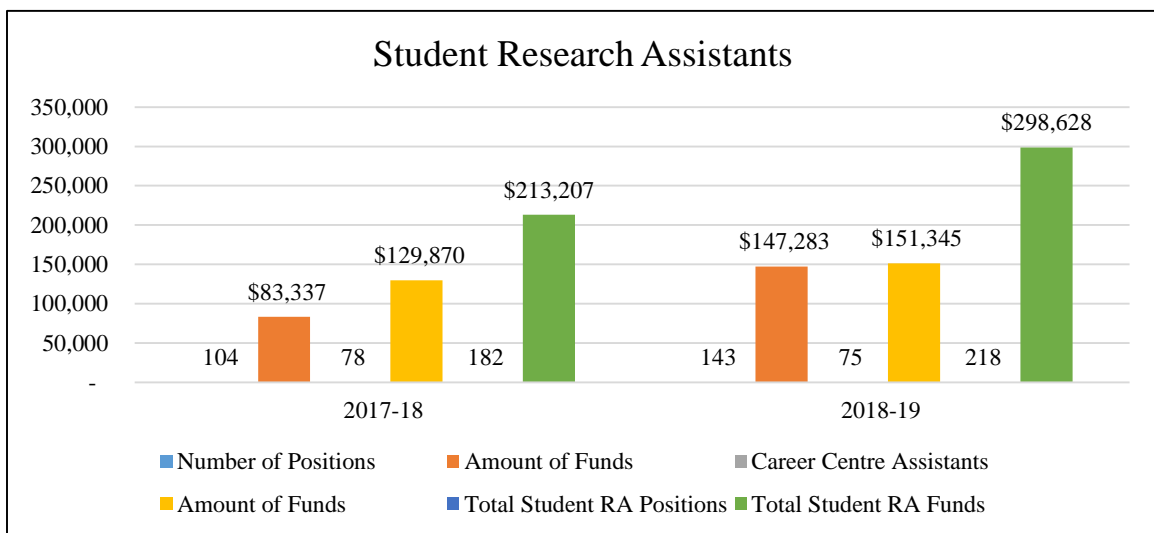

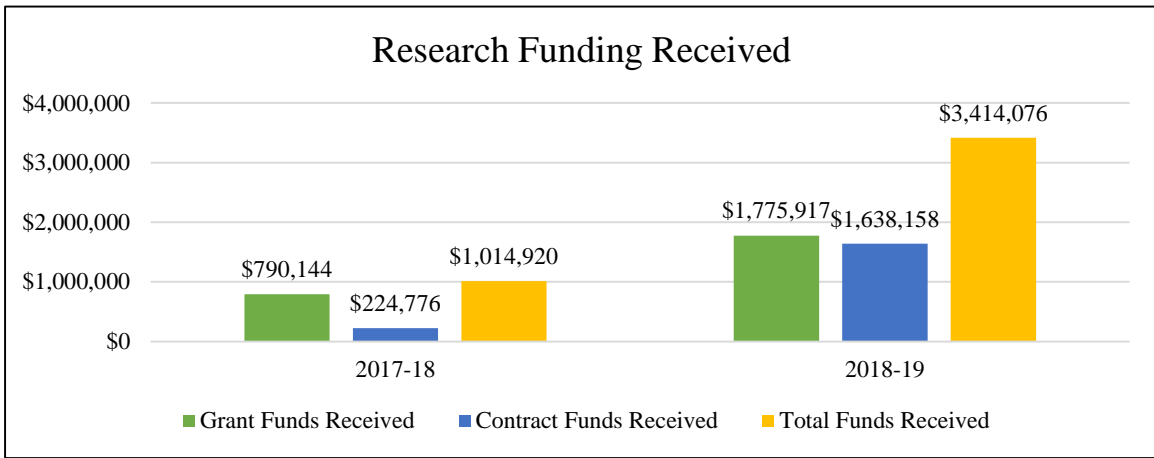

At UFV, teaching and research are intimately related. Provost & VP Academic Eric Davis has said “Creating opportunities for undergraduate research is one of UFV’s highest priorities.” One way we do this is by supporting both established and novice faculty researchers in their endeavours. They bring their excitement for research to the classroom, and engage students as research assistants and co-authors on publications.

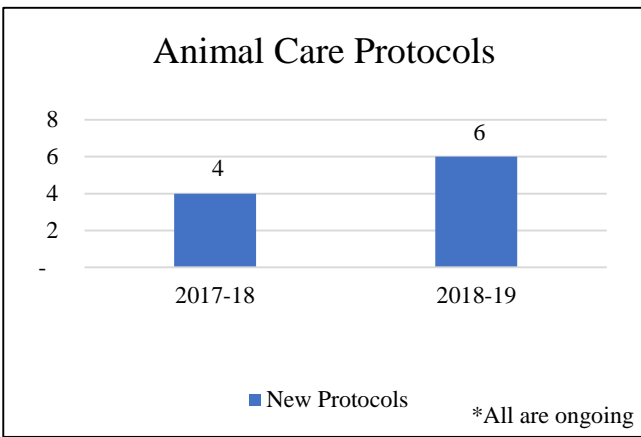

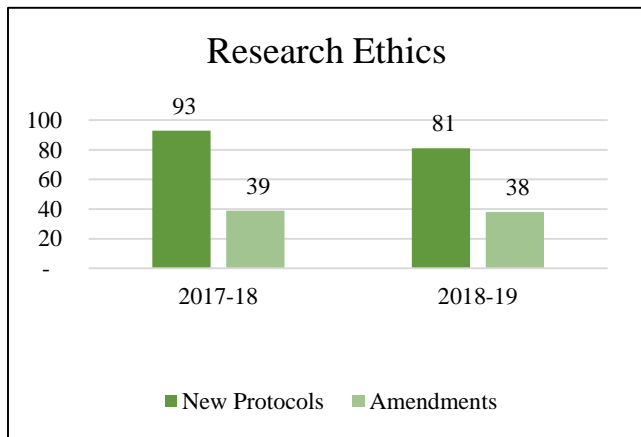

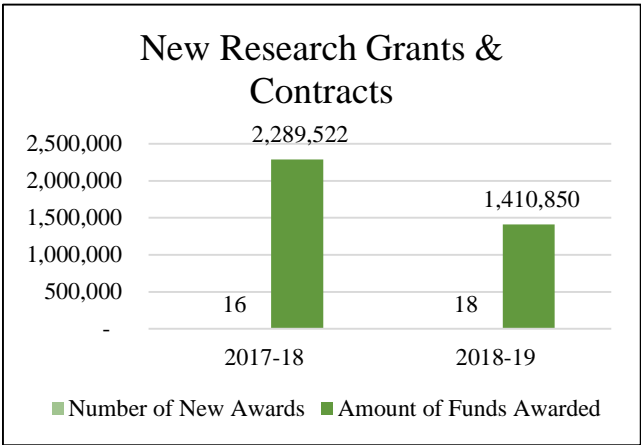

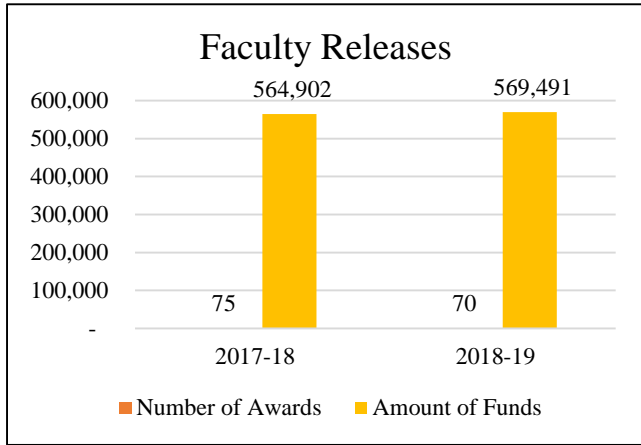

Evidence indicates that students who are provided with experiential learning enjoy greater success in their education and future careers. We know that research experience is a high impact practice on student learning. Students who participate in research outside the classroom and who present at conferences throughout North America and beyond, consistently report that the research experience is the highlight of their education and time at UFV.

Compliance with human research ethics and animal care protocols are required for UFV to be eligible for federal Tri-Council funding. The Human Research Ethics Board (HREB) is diligent in their review of researcher protocols, and provides them with education and guidance that ensures that the rights of research participants and the integrity of researchers and the university are protected. The Animal Care Committee retains a Good Animal Practice Certificate from the Canadian Council on Animal Care (CCAC) which involves a detailed site review every 3 years to ensure our barn, labs, and field research meet the Council’s stringent requirements.

This past year the Research Office has seen:

- 34% increase in students participating in Student Research Day over last year, rising from 147 to a record breaking 197 participants!
- 20% more research assistants hired through the Research Office and the Career Centre work study program.
- Researchers hire 143 student research assistants through the Research office and 75 work-study research assistants through the Career Centre.
- 28 Undergraduate Research Excellence awards totaling \$27,100 presented – the highest numbers to date!
- The Research Student Presentation Grant, together with the Student Education Enhancement Fund (SEEF), provide more students with travel funding to present at research conferences.
- Student researchers shine at Convocation:
 - 3 of 4 Student speakers
 - 2 of 3 Governor General Medalists
 - 4 of 6 Deans’ Medalists
- Tri Council grants awarded:
 - 3 NSERC grants
 - 2 Michael Smith Foundation grants
 - 6 NSERC Undergraduate Student Research Awards
