

# Media Gallery: How to View All Media

Problem: Media Gallery indicates “20 Media”, but you can find less than 20 media.

## Media Gallery

20 Media

Sort by Most Recent ▾ View All Media ▾

1a] Maximize your browser’s window size (or Full Screen)

1b] Detailed View

## Media Gallery

20 Media

Sort by Most Recent ▾ View All Media ▾

+ Add Media

2] In “Detailed View”, scroll down till you see “There are no more media items.”

There are no more media items.

3] All the media appear in both “Grid View” and “Detailed View”
